## PASTOR'S CORNER

### OUR LADY'S PEACE PLAN (17) Third Secret: The Blood of the Martyrs

After the attempted assassination on May 13, 1981, the Holy Father had the text of the third part of the “secret” brought to him. He himself explained his survival in the following words, ... “It was a mother’s hand that guided the bullet’s path.” The “mother’s hand” the Pope credited with saving him was that of Our Lady of Fatima. He had been shot on her feast day, May 13, and on the first anniversary of the assassination attempt he went to her shrine in Fatima to thank her for sparing his life, placing the bullet that had struck him on her altar. It was later placed in her statue’s crown.

Cardinal Ratzinger offered this reflection: *“In the vision we can recognize the last century as a century of martyrs, a century of suffering and persecution for the Church, a century of World Wars and of local wars... As from Christ’s death, from his wounded side, the Church was born, so the death of the witnesses is fruitful for the future life of the Church. Therefore, the vision of the third part of the “secret,” so distressing at first, concludes with an image of hope: no suffering is in vain, and it is a suffering Church, a Church of martyrs, which becomes a signpost for man in his search for God.”*

Pope John Paul II often spoke of a “new springtime” in the Church. He saw the “new springtime” as the fruit of the many martyrs, whose merits will bring about a great renewal of the Church in the twenty-first century. Unfortunately, certain unforeseen factors, such as the clerical sex abuse scandals, have hindered this new springtime from emerging clearly in Pope John Paul II’s lifetime. ... But we can believe that John Paul II knew the new springtime would eventually come, as would Our Lady of Fatima’s promise that in the end Russia would be converted and her Immaculate Heart would triumph. (From the book, *Fatima for Today*, by Fr. Andrew Apostoli, CFR, pp. 89-94). **(More to come).**

## RINCÓN DEL PÁRROCO

### PLAN DE PAZ DE NUESTRA SEÑORA (17) Tercer Secreto: La Sangre de los Mártires

Después del atentado del 13 de mayo de 1981 El Santo Padre hizo que le llevaran el texto de la tercera parte del “secreto.” El mismo explicó el haberse salvado, con las siguientes palabras: “... fue una mano materna la que guio la trayectoria de la bala.” La “mano materna” a la que el Papa dio el crédito de haberlo salvado fue la de Nuestra Señora de Fátima. Le habían disparado en el día de la fiesta de la Virgen, el 13 de mayo, y en el primer aniversario del atentado él fue al santuario de Fátima para darle gracias por salvarle la vida. Colocó en el altar la bala que lo había herido, que posteriormente fue incrustada en la corona de la imagen de la Virgen.

El cardenal Ratzinger ofrece esta reflexión: *“En la visión podemos reconocer el siglo pasado como siglo de los mártires, como siglo de los sufrimientos y de las persecuciones contra la iglesia, como el siglo de las guerras mundiales y de muchas guerras locales. Así como de la muerte de Cristo, de su costado abierto, ha nacido de la Iglesia. La visión de la tercera parte del “secreto”, tan angustiosa en su comienzo, se concluye pues con una imagen de esperanza: ningún sufrimiento es vano y, precisamente, una Iglesia sufriendo una iglesia de mártires, se convierte en señal orientadora para la búsqueda de Dios.”*

El papa Juan Pablo II hablaba con frecuencia de una “nueva primavera” en la Iglesia. El vio esa “nueva primavera” como fruto de los muchos mártires, cuyos méritos producirán una gran renovación de la Iglesia en el siglo XXI. Lamentablemente, hubo ciertos factores imprevistos que impidieron que esta nueva primavera emergiera claramente durante la vida del papa Juan Pablo II. Pero podemos creer que el Papa Juan Pablo II sabía que esa nueva primavera llegaría en cierto momento, como se cumpliría también la promesa de nuestra Señora de Fátima de que al final Rusia se convertirá y su Corazón Inmaculado había de triunfar.

**VOTE "NO" ON PROPOSITION 1**

Proposition 1 is a worst-case scenario for abortion in California. It is an expensive and misleading ballot measure that allows unlimited late-term abortions — for any reason, at any time, even moments before birth, paid for by tax dollars. Prop 1 isn't needed. Sadly, California already has some of the most permissive abortion as in the nation that would remain in effect without the amendment, including our current limit on late-term abortions that are permitted only for the life and health of the mother. Prop 1 destroys this common-sense limit. California does not limit state spending on abortion, and with thousands more traveling from other states, the cost will be in the hundreds of millions. Don't hand lawmakers a blank check to pay for abortions, and don't let them make California an "abortion sanctuary."

*To learn more, visit [www.Catholic.org/Prop1](http://www.Catholic.org/Prop1)*

La Proposición 1 es el peor de los casos para el aborto en CA. Es una medida electoral costosa y engañosa que permite abortos tardíos sin límites — por cualquier motivo, en cualquier momento, incluso momentos antes del nacimiento — a expensas de los contribuyentes. La Proposición 1 no es necesaria. Lamentablemente, California ya cuenta con políticas de aborto entre las más permisivas del país que seguirían en efecto sin la enmienda, incluso con sus límites importantes para el aborto tardío, que se permite por la vida y la salud de la madre. La Proposición 1 derriba estos límites de sentido común. California no limita el gasto estatal en aborto, y con miles viajando desde otros estados para procurar un aborto tardío, el costo será de cientos de millones. No entregue a los legisladores un cheque en blanco para pagar los abortos y no permita que hagan de California un "santuario del aborto".
