**PASTOR'S CORNER**

**“Man to Man:” An Intro. to what’s wrong with Contraception and what’s right with NFP.** *“What can you do to make your pledge of fidelity to your wife not just a chore, but a joyous fulfillment? You know you have a moral obligation to bring up your children in your Christian faith. This means more than telling them about the Good News. It means living the Gospel values you want them to embrace. You want them to trust God, to be open to His plans, to have love and respect for human life. How does that square with using pornography? And what about abortifacients and contraceptives? What can you do right now to remove these hypocrisies from your life forever? You want to maintain an intimate relationship with God throughout your life. But feelings come and go. Tomorrow or the next day will find you in the same dull world. Temptations will return; anxieties will return; prayer will become difficult. What can you do right now to make your entire life a continual prayer to God? There is an answer to all these questions. It’s controversial and it takes more than a “sound bite” worth of explanation. Yet the answer is remarkably simple: marital chastity through Natural Family Planning.* Natural Family Planning involves learning about your wife’s fertility and working and praying with her in making decisions about your family size. Sure, its more work than just letting her go to a doctor and take a potentially abortifacient Pill. It’s a day-by-day process. You find out together when your sexual relations have a high or a low chance of resulting in conception. Then you decide together prayerfully whether you want to seek a pregnancy or abstain.” More to come. (An excerpt from the flyer, “Man to Man,” by the Couple to Couple League.)

*Blessings, Fr. John*

## RINCÓN DEL PÁRROCO

**“De Hombre a Hombre:” Una introducción para saber lo malo de la anticoncepción y lo que está bien con PFN.** *¿Qué puedes hacer para que tu promesa de fidelidad a tu esposa no sólo sea una tarea, sino un cumplimiento gozoso? Usted sabe que tiene la obligación moral* de criar a sus hijos en la fe cristiana. Esto significa no solo hablarles de la Buena Nueva. Significa que vivan los valores del Evangelio que usted desea que abrasen. Usted desea que ellos confíen en Dios, que estén abiertos a los planes de Dios, que tengan amor y respeto por la vida humana. *¿Cómo funciona eso con el uso de la pornografía? ¿Y qué decir de los abortivos y anticonceptivos? ¿Qué pueden hacer ahora mismo para eliminar estas hipocresías de su vida para siempre? Usted desea mantener una relación íntima con Dios a lo largo de su vida. Pero los sentimientos van y vienen. Mañana o pasado se encontrará en el mismo mundo sórdido. Las tentaciones y la ansiedad regresarán; la oración será cada vez más difícil. ¿Qué puedes hacer ahora mismo para que toda tu vida sea una continua oración a Dios? Hay una respuesta a todas estas preguntas. Es controversial y se necesita más que una frase pegadiza de explicación. Sin embargo, la respuesta es muy simple: la castidad conyugal a través de la **Planificación Familiar Natural**. La Planificación Familiar Natural implica el aprender acerca de la fertilidad de tu esposa, trabajando y orando con ella para tomar la decisión sobre el tamaño de su familia. Claro, es más trabajo que simplemente dejarla ir al médico y que tome una píldora potencialmente abortiva. Es un proceso de día a día. Juntos se darán cuenta cuando sus relaciones sexuales tienen una alta o una baja probabilidad de resultar en la concepción. Entonces deciden juntos en oración si desean buscar un embarazo o abstenerse." Más por venir. (Un extracto del folleto, "De Hombre a Hombre," por la Liga de Pareja a Pareja.)*

*¡Bendiciones! P. John*
