VOCATION' CENTER

The question confronts every Christian: "What is my call and purpose in Life?"

PASTOR'S CORNER

"If we don't live our Catholic faith and defend our religious liberty vigorously, then sooner or later we'll lose both. For more than a year, America's bishops have repeatedly stressed the coercive – even vindictive – nature of the current administration's HHS contraceptive mandate. No one "needs" this mandate as a matter of health. It's purely an imposition of ideology on the freedom of religious communities and individuals to live their convictions in their public work. If Catholics fail to resist this coercion, then more coercion will follow. It's that simple." *Archbishop Charles J. Chaput, O.F.M. Cap. September 30, 2013*

Fr. John

RINCÓN DEL PÁRROCO

“Si no vivimos nuestra fe católica y defendemos nuestra libertad de religión vigorosamente, tarde o temprano las perdemos. Drante más de un año, los obispos de América han subrayado en repetidas ocasiones la coersión. - la naturaleza de la actual administración del mandato del anticonceptivo HHS. Nadie “necesita” este mandato como una cuestión de salud. Es puramente una imposición de ideología de la libertad de comunidades religiosas e individuos para vivir sus convicciones en su trabajo público.. Si los católicos no pueden resistir esta coacción, entonces la coacción sigue. Así de simple” *Archbishop Charles J. Chaput, O.F.M. Cap. 9/30/13*
