PASTOR'S CORNER

ROOT CAUSE BEHIND TODAY'S DIS-INTERGRATING SOCIETY. Sr. Lucia, one of the seers of Fatima, revealed that Satan's attack on humanity in the end times would focus on the destruction of marriage and family. The family is the fundamental cell of society and the domestic church. By attacking marriage and family, Satan is able to weaken society and the church at its very foundations. One alarming survey showed that 98% of men in prison were raised in families with no father in the home.

Let's go back 51 years to the publication of, "Humanae Vitae – On Human Life," by Saint Pope Paul VI. There was a lot of pressure from the media and modern society for the Church to change its teaching against using contraceptives, like the new birth-control pill, in order to help couples plan their families and avoid unwanted pregnancies. All hell broke loose when Saint Paul VI reaffirmed the Church's teaching that it was an intrinsic evil to deliberately sterilize the "marriage act" through chemical, barrier, or surgical methods. Providentially, some modern and highly effective "natural" methods for avoiding, or, achieving, pregnancy, were developed at this time (late fifties) cf. the "Billings Method." These methods, were based on a woman being able to accurately track her days of fertility by the physical signs in her body. Given a responsible and unselfish reason to avoid pregnancy, the couple could abstain from the marriage act during the relatively few days when the woman's body was fertile.

Saint Paul VI prophetically warned the world about the serious consequences that would follow if there was wide-spread disobedience to the God-given meaning of human sexuality, marriage and family that he had reaffirmed in the Encyclical Letter, Humanae Vitae. Next week I will share Saint Paul VI's prophetic statements.

Blessings, Fr. John

RINCÓN DEL PÁRROCO

LA CAUSA PRIMORDIAL DETRAS DE LA HOY SOCIEDAD DES-INTEGRADA. Sor Lucía, una de los videntes de Fátima, reveló que el ataque de Satanás a la humanidad en los tiempos finales se centraría en la destrucción del matrimonio y la familia. La familia es la célula fundamental de la sociedad y de la iglesia doméstica. Atacando el matrimonio y la familia, Satanás es capaz de debilitar los fundamentos de la sociedad y de la iglesia. Una alarmante encuesta mostró que el 98% de hombres en prisión fueron criados en familias sin padre en el hogar.

Volvamos a hacer 51 años de la publicación de la "Humanae Vitae" - en la Vida Humana", por el Santo Papa Pablo VI. Hubo mucha presión de los medios de comunicación y de la sociedad moderna para que la Iglesia cambiara su enseñanza en contra del uso de anticonceptivos, como la nueva píldora anticonceptiva, a fin de ayudar a las parejas a planear sus familias y evitar embarazos no deseados. Todo el infierno se desató cuando San Pablo VI reafirmó la doctrina de la Iglesia, que era un mal intrínseco deliberadamente a esterilizar el "Acto matrimonial", a través de químicos, de barreras, o de métodos quirúrgicos. Providencialmente, algunos métodos modernos y altamente efectivos "el método natural" para evitar o lograr el embarazo, fueron desarrollados en ese momento (a finales de 1950) Véase el "Método Billings". Estos métodos se basan en que una mujer sea capaz de realizar un seguimiento preciso de sus días de fertilidad por los signos físicos en su cuerpo. Dando una razón responsable y desinteresada para evitar el embarazo, la pareja podría abstenerse del acto matrimonial durante los relativamente pocos días en que el cuerpo de la mujer era fértil.

San Pablo VI proféticamente alertó al mundo sobre las graves consecuencias que se obtendrían si se amplía la desobediencia que Dios ha dado a el significado de la sexualidad humana, el matrimonio y la familia que había reafirmado en la Carta Encíclica Humanae Vitae. La próxima semana compartiré las declaraciones proféticas de San Pablo VI.

Bendiciones, Fr. John
