PASTOR'S CORNER

"Mary experienced the most powerful erotic desires of any woman who ever walked on our planet."

Christopher West used this statement to grab my attention in his keynote address at the 50th Anniversary of Humanae Vitae* Conference, Ontario, CA, July 28, 2018. He went on to say that, "We tend to associate "Erotic love" with pornography. Whereas, Eros is given to us by God to launch us toward the stars and beyond. Pope Benedict XVI says that Eros is our desire for God; a desire for every infinite of Truth, Goodness, Love and Beauty. Original sin inverted the rocket engines of Eros. They are now aimed at finite pleasures. Christ came into the world, not to condemn those with inverted rocket engines, but to re-direct those rocket engines. Redemption begins with Eros. Jesus' first miracle/sign, at a wedding in Cana of Galilee, is meant to show us that he came to restore Agape (Divine Love) to Eros (the Love of Need and Desire). Jesus came to help us become intoxicated with God's Wine of Agape/Eros."

Our secular culture has lost touch with the God-given meaning of sexuality, marriage and gender. St. John Paul II referred to our secular culture as a "culture of death." *"God did not create death, and He takes no pleasure in the death of the living. ...Death entered our world through the envy of the devil."* (Wisdom 1:13; 2:24). What was the devil envious of? Here is Christopher West's train of thought in the wake of that question.

"Satan hates the WOMAN and her ability to bear offspring. We are the strange bridge between the angels and the animals. In the Incarnation, God would take on the lowliness of flesh and raise it higher than the angels. What do we have that angels do not have? BODIES! What can we do that angels cannot do? PROCREATE!, that is, participate in the power of creation. More stunning than the creation of the Milky Way Galaxy or the Himalayan Mountain Range is the procreation of a human baby. Satan hates our bodies. And Satan wants us to hate our bodies too.

Governments are asking us to identify everybody without reference to any *body*. St. John Paul II revived the Church's incarnational – sacramental view of the BODY in his teaching called "Theology of the Body." (more next week).

*Humanae Vitae is the 1968 Encyclical Letter of St. Pope Paul VI, subtitled, "On the Regulation of Human Births."

Blessings, Fr. John

RINCÓN DEL PÁRROCO

"Mary experimentó los deseos eróticos más poderosos que cualquier mujer que haya caminado en nuestro planeta." Christopher West usó esta declaración para captar mi atención en su discurso de apertura en el 50 aniversario de la Conferencia Humanae Vitae*, Ontario, CA, 28 de Julio del 2018. Continuó diciendo que "Tendemos a asociar el "amor erótico" con la pornografía. Considerando que, Eros nos es dado por Dios para lanzarnos hacia las estrellas y más allá. El Papa Benedicto XVI dice que Eros es nuestro deseo por Dios; un deseo por cada infinito de Verdad, Bondad, Amor y Belleza. El pecado original invirtió los motores de cohetes de Eros. Ahora están dirigidos a los placeres finitos. Cristo vino al mundo, no para condenar a aquellos con motores de cohetes invertidos, sino para redirigir esos motores de cohetes. La redención comienza con Eros. El primer milagro / signo de Jesús, en una boda en Caná de Galilea, tiene el propósito de mostrarnos que vino a restaurar Ágape (Amor Divino) a Eros (el Amor de la Necesidad y el Deseo). Jesús vino para ayudarnos a intoxicarnos con el Vino de Ágape / Eros de Dios".

Nuestra cultura secular ha perdido contacto con el significado dado por Dios de sexualidad, matrimonio y género. San Juan Pablo II se refirió a nuestra cultura secular como una "cultura de la muerte". *"Porque Dios no hizo la muerte, y no le gusta que se pierdan los vivos. ... La envidia del diablo introdujo la muerte en el mundo."* (Sabiduría 1:13; 2:24). ¿De qué le tenía envidia el diablo? Aquí está la línea de pensamiento de Christopher West después de esa pregunta.

"Satanás odia a la MUJER y su capacidad de tener descendencia. Somos el puente extraño entre los ángeles y los animales. En la Encarnación, Dios tomaría la humildad de la carne y la elevaría más alto que los ángeles. ¿Qué tenemos que no tengan los ángeles? ¡CUERPOS! ¿Qué podemos hacer que los ángeles no puedan hacer? ¡PROCREAR!, es decir, participar en el poder de la creación. Más sorprendente que la creación de la Vía Láctea o la Cordillera del Himalaya es la procreación de un bebé humano. Satanás odia nuestros cuerpos. Y Satanás quiere que nosotros también odieemos nuestros cuerpos."

Los gobiernos nos piden que identifiquemos a todos sin hacer referencia a ningún cuerpo. San Juan Pablo II revivió la visión encarnacional - sacramental del CUERPO en su enseñanza llamada "Teología del Cuerpo". (más la próxima semana).

*Humanae Vitae es la Carta Encíclica de San Papa Pablo VI de 1968, subtitulada "Sobre la Regulación de los Nacimientos Humanos".
