

ATTENTION ALL ALTAR SERVERS

I would like to thank all St. Joachim Altar Servers for their outstanding and dedicated service they have done for the last several months as candle bearers and cross bearers. The following is a list to remind you of specific things an altar server should be conscience of to ensure that you continue to serve our Lord with the already demonstrated outstanding and dedicated service you have shown since you became an altar server:

DO'S

1. Walk slowly and reverently at all times
2. Candle bearers bow together in front of altar before going to escort gifts up
3. Always Look and face the person speaking or reading
4. Stand on LEFT side of Eucharistic ministers during communion
5. Hold paten flat at all times even when communion is finished and you are returning it to the altar or credence table
6. Always bow when crossing in front of altar
7. At end of mass when Father starts the final blessing with "in the name of the father", that's when the candle bearers bow together in front of altar and then retrieve candles and stand in designated spots.

DON'T'S

1. DO NOT yawn with mouth wide open (cover your yawn politely)
2. DO NOT continuously look around (pay attention to father he may need you to get or do something during mass)
3. DO NOT play with hair, alb, cincture, shoes or hands
4. DO NOT laugh or giggle while serving (this is a serious and reverent time of prayer and worship)
5. DO NOT wear blue jeans, tennis shoes, jewelry, big hair accessories, bright colored hair accessories, bright nail polish, or a lot of make-up (natural skin tone make up, hair accessories should match hair color, black jeans are ok, blue jeans and tennis shoes are only ok if you are stepping in at last minute to cover for a no-show)

Thank you,
